I warrant the following to be true and I understand no coverage will be afforded by this policy for theft unless the following items are strictly adhered to:

- 1. During non-business hours, all "finished stock" on the premises must be kept in one of the following:
 - a. A locked 700 pound or greater safe which is bolted to the floor.
 - b. A locked Underwriter's Laboratory rated TI-15 safe or greater.
 - c. A locked one (1) ton or greater safe.
- 2. An operating and functional central station burglar alarm system must be installed at the premises which have contacts on all windows and doors that open to the outside. The alarm must have contacts on all windows and doors adjacent to common stairways and/ or hallways. Furthermore, the alarm must have functioning motion detectors which cover all rooms at the premises. This burglar alarm must be turned on and fully operational during non-business hours.
- 3. During business hours, all stock not on display for sale will be kept in a locked safe with the requirements as during non-business hours.
- 4. The insured must keep written records of all purchases of stock, including receipts when available, which includes the date of purchase, type(s) of stock purchased and purchase price. In the event of a stock claim, adjustment will be based on documented records. A copy of this record is to be kept at an offsite location.
